I write this letter very specially to thank you for the above generous money gift towards **SOS Children's Village Dharamsala**. We are positive that you received the newsletter of the Village you are supporting. If in any case you change your address, kindly mail us either to the [headoffice@tcv.org.in](mailto:headoffice@tcv.org.in) or to the postal address stamped on the envelope.

Another year has come to an end and when we sit back and ponder, the passing year has witnessed rather a lot of disturbing incidents occurring in different parts of the world. Uncountable people are hurt leaving them helpless. Some had to face the violent Mother Nature while others fall prey to the big sharks. No matter what, being born as a social human being, we move on with a hope for better tomorrow. And this hope is instilled in us with humble supporters like you around the world.

On a positive note, with this New Year, we hope there would be a brighter and a much happier year unfolding for all of us. Sincerely, we are grateful to you for all the help you have rendered towards our children and yes our children are overjoyed with the smiles you have provided them with.

We have now completed 50 years and we celebrated our anniversary this November. The ex-TCV ians too joined with our celebration and it was overwhelming to see the mother village flocked by so many people along with some of our dear sponsors.

With many thanks and all my best wishes to you and all your loved ones, I remain.

Yours sincerely,  
SOS Sponsorship Secretary
